

Remedial Driver Education Action Plan

DRAFT Action Plan – Remedial Driver Education

CEA # 6	Speeding Aggressive Driving
Strategy # 4	Develop a remedial driver education course
Targets	Offenders of Vermont's motor vehicle laws
Description	Enact legislation to provide for remedial driver education as a condition for reinstatement of driver's license
Actions	<p>Step 1 – Review data to substantiate the need for this strategy.</p> <p>Step 2 – Resource law enforcement and judicial system for additional materials to accomplish this strategy.</p> <p>Step 3 – Recommend VSA amendments to Administration draft persons for this strategy.</p> <p>Step 4 – Monitor Legislative progress</p>
Time Frame	Enact legislation by the end of the 2008 Legislative session.
Output	Remedial driver education course is created as a condition for reinstatement of a driver's license.
Data Needed	Materials clearly demonstrating the impact of this strategy on the present license suspension system.
Data Collection (how, by whom)	Department of Motor Vehicles, law enforcement community and Vermont's justice system can provide appropriate data for consideration.
Performance Measure	An effective and efficient remedial driver education system is created and the number of motor vehicle offenses is reduced. The cost of auto insurance may also be favorably impacted.
Funding	To be determined.
